Dear Parents / Guardians:

### STUDENT SAFETY

We love seeing parents and grandparents dropping lunches off for their students. It is very important that you remain in the office area or just outside our front doors. We cannot have parents walking through the school to drop off lunches. If for some reason you feel you need to go to a classroom, please sign in at the office and you will receive a visitor's pass.

### UNIFORMS

Please note that leggings or yoga pants are not considered appropriate bottoms for uniforms. Girls should be wearing dress pants, skirts or jumpers. The only time that leggings can be worn is under a skirt or jumper.

### HEALTHY SCHOOL

Please keep your sick child at home. Signs of colds and flu include fever, vomiting, runny noses, and coughs. Hand washing, covering coughs and sneezes, and personal hygiene are the best ways to prevent spreading germs. Students should be fever-free for 24 hours without medication before they return to school. We will greatly reduce the spread of illness if all parents would keep children home until they are no longer ill or contagious. Students are not able to remain inside during recess and lunch. All of our students play outside.

### GETTING TO SCHOOL ON TIME

Research has shown that the habits that your children are forming now will have an impact on their future. As such, we would encourage students to make a concerted effort to arrive to school on time. Please help your child to develop the important habit of timeliness.

### PARKING

To drop off your child or your child's lunch, please use the visitor parking or park on the street. Do not drive through the round-about as it is for Emergency Vehicles only. Also, please **do not** leave your car unattended in the pick-up/drop-off area. Thank you for your cooperation.
