September 11th, 2020

Dear Parents/Guardians,

It was a pleasure to see so many of our students and families on Thursday and Friday. In an effort to reduce the amount of people accessing our school site at the same time, we will be staggering our start and end times. We have split the school into two groups. Students will still line-up at the same location. Siblings may not be in the same group, it is OK for them to come to the school grounds at the same time; however, they will need to go to their line-up location to wait until it is their time to enter the school.

This schedule will begin as of Monday September 14th, 2020. If students are late, they are to wait at their class line-up location. Students will be able to enter once there is space to do so. Pod doors will be open until 9:10 am. Students will not be marked 'late' unless they arrive after 9:10 am, and will need to check-in at the office.
